Natural Gas Agreement - NICOR

GUARANTEED SAVINGS SERVICE PLAN

Realgy Energy Services (RES) agrees to act as your exclusive agent/natural gas supplier and actively manage your account(s) listed below. RES agrees to add your account to our actively managed gas pool. The timing of purchase decisions will be made by RES.

You will receive an annual Guaranteed Savings Analysis showing the total price for delivered natural gas for NICOR and RES, including tax. The Guaranteed Savings Service Plan will guarantee that (1) during every full calendar year of service you will save at least 4% as compared to cost of gas service under NICOR and (2) the savings analysis accurately reflects NICOR's costs including applicable taxes. Monthly savings will fluctuate and 12 months of continuous service is required to achieve the Guaranteed Savings of 4%.

RES price is for natural gas and storage services only and the Guaranteed Savings will be compared to NICOR's gas and storage costs. You are responsible for other charges related to delivering gas to your business and charges assessed or collected by NICOR that are billed to RES.

Customer has the right to convert the Guaranteed Savings Managed Service Plan to any Realgy Energy Service Plan including Fixed Price without an additional fee.

LENGTH OF SERVICE

Your Agreement begins upon your acceptance into NICOR's Customer Select Program and will continue for 12 months. RES may terminate this Agreement if any terms associated with the NICOR program change. For your convenience, this Agreement will continuously renew if not terminated by you or RES by providing written notice 60 days prior to the renewal date. RES will notify you in writing of any changes to this Agreement at least 60 days prior to your Renewal Date.

QUANTITY PURCHASED

RES will obtain from NICOR your gas usage history. RES will provide for all your gas needs. Gas usage includes; delivered storage, losses, cash-out and metered consumption. NICOR requires RES to deliver approximately 20% of your annual usage into their storage prior to Nov 1st and have it withdrawn prior to Mar 31st. Your monthly usage will include the gas injected into storage. Withdraws from storage will not be charged. A storage report will be sent monthly and incur a \$2.50 monthly charge.

CUSTOMER SERVICE

Customer's copy of this Agreement is acknowledgement of acceptance by RES. Customer may cancel this Agreement using RES' toll free number, without cost, within 14 days from the date on this Agreement. RES will notify customer if credit excludes or delays their participation in the NICOR program.

To cancel this Agreement after the 14th day and without 60 day written notice Customer will be subject to a \$60.00 cancellation fee. RES will notify NICOR to cancel the service and the Customer will be released from RES effective on the meter read after NICOR has processed the cancellation notice. Storage inventory will be forfeited; or, with written notice, reconciled, including inventory transfers as appropriate.

You may contact RES at Realgy Energy Services 1100 New Britain Avenue, Suite 15 West Hartford, CT 06110, by phone 877-431-8527 or contact us at service@realgy.com or visit us at <http://www.realgy.com/res>. You may also contact the representative for consumers on all utility matters at the Illinois Citizens Utility Board (CUB) at 1-800-669-5556 or visit their web address at <http://citizensutilityboard.org/index> to address questions regarding the NICOR Program.

RELIABLE SERVICE

RES will provide your gas service in full accordance with all current tariffs of NICOR and the pipelines serving NICOR, which tariffs are incorporated into this Agreement by reference. RES reserves the right to assign this Agreement or obligations.

BILLING

You will continue to receive one bill from NICOR that will include RES charges. Should you fail to comply with NICOR's payment policies you may no longer be eligible for NICOR Customer Select participation and will be subject to any pertinent late fees as set forth in the NICOR tariff approved by the ICC.
